The **specified basis of preparation** is in relation to the accounting policies used and described in Investor Directed Portfolio Services Statements – Accounting Policies, including the basis of accounting.

The **Investor Statements**, which comprise for each Client:

Emphasis of matter – basis of preparation and restriction on use and distribution

We draw attention to the specified basis of preparation in the Investor Statements.

The Investor Statements have been prepared by the Operator to comply with the requirements of the **ASIC Corporations (Investor Directed Portfolio Services) Instrument 2023/669** (the **Instrument**). As a result, the Investor Statements may not be suitable for another purpose.

Our report is intended solely for the Directors of the Operator, the Clients and the Australian Securities and Investments Commission and should not be used by or distributed to any other parties. Assurance Practitioner's responsibility for the review of the Annual Investor Statements

Our responsibility is to express a conclusion on the Annual Investor Statements in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the Annual Investor Statements are materially misstated and do not comply with the Instrument, or are not presented nor prepared in accordance with the specified basis of preparation that complies with the requirements of the Instrument. We express no opinion as to whether the specified basis of preparation is appropriate to the needs of the Clients.

We conducted our review in accordance with the Standard on Review Engagements ASRE 2405 *Review of Historical Financial Information Other than a Financial Report* and other auditing standards applicable to a review engagement. A review of the Annual Investor Statements consists of making enquiries, primarily of the Operator's personnel responsible for the Annual Investor Statements and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We have also performed an independent audit of internal controls and other relevant accounting procedures of the Operator, including those over its custodian and any other relevant person acting on behalf of the Operator as they relate to the preparation of the Annual Investor Statements (the internal controls). We have issued a separate unqualified assurance report to provide reasonable, but not absolute, assurance that the internal controls implemented by the Operator were suitably designed and operated effectively to ensure that there are no material misstatements or deviations in controls as they relate to the preparation of the Clients' Annual Investor Statements for the year ended 30 June 2025 and that these Annual Investor Statements are presented in accordance with the specified basis of preparation that complies with the requirements of the Instrument.

ASRE 2405 requires us to comply with the independence and other relevant ethical requirements of the Code of Ethics for Professional Accountants (including Independence Standards) issued by the Accounting Professional and Ethical Standards Board.
